

# Smokey Bear Reading Challenge

Help Smokey celebrate his 80<sup>th</sup> birthday by learning how to prevent wildfires and help the environment. Read at least three books about bears, forests, trees, or forest fires and check off some of the activities on the back of this sheet.

There will be some books you can choose from on the window sill near our STEM area. You do not have to read these particular books; you may choose your books from another resource, such as books you have at home.

**Turn this form in along with the attached form by November 18** and your name will be placed in a drawing for a prize basket. The winner will be contacted on November 19.

If there is no staff available in the Children's Department, you may turn this in at the Main Desk.

Note: we do not need any written evidence of the tasks you completed on the last page of the attached sheet. You may simply check off the tasks you chose to complete.
