

Read Your Way through Many Mammals

- Children ages two through eleven (2-11) are encouraged to read 25 fiction or nonfiction books about the animals listed below.
- Books about these mammals can be found at the library, school, home, grandma's house, just about anywhere.
- The mammal does not need to be the main character, but at least appear in the book.
- All children who submit this form will receive a Reading Medal. Their names will be entered into a drawing for \$25 Walmart gift cards and one child will win a fun-filled gift basket.
- Younger children can participate because adults can record books read to their little ones.
- Forms are due by **Friday, April 10**.
- Gift card winners will be contacted by April 14.

Directions: Write down the title and author used for each animal. Fiction, nonfiction, graphic novels, audio books and online stories all count.
